**MOU signed by Pakistan Institute of Corporate Governance And Connect Consulting**

Pakistan Institute of corporate governance and Connect Consulting lead by Mr. Khalid Siraj signed an MOU on Friday 17th January 2020.

PICG providing masterclass professional development programmes to directors and other professional services to its members and clients is now offering director placement services to help boards find the right skilled board members- whether to fill in a gap on skill basis or to fill up a vacancy when it might occur.

Under the MOU, PICG would be offering the director placement services in collaboration with Connect consulting which has the necessary expertise and infrastructure to provide experienced and right skilled people to fill in required positions at the board level after having done a skill gap analysis.
