

ETHICAL DILEMMAS

Empowering Leaders to Manage Challenging Choices at The Workplace

OVERVIEW:

In today's corporate world, leaders often come across situations where they have to make choices that may feel as though their ethics and values are being compromised. On the other hand, they may make choices without realizing the underlying risks involved.

LEARNING OUTCOMES:

- Interpreting ethics
- What are ethical dilemmas?
- Why leaders fail to deal with ethical situations
- Frameworks and models to manage ethical dilemmas
- Creating an ethical workplace culture

WHO SHOULD ATTEND:

- Directors
- Board Committee Chairs
- C Suite Executives & Management
- HR/Corporate Secretarial Professionals

TRAINING INVESTMENT:

- PKR 22,000/- Non-Member
 - PKR 20,000/- PICG Member
- Prices are exclusive of any taxes*

Enrolment is subject to PICG's terms & conditions
